

Man: Excuse me, I couldn't help but notice you sitting over here alone. Can I join you for a cup of coffee?

Woman: Sure, that sounds nice.

Man: Great! My name is Tom, what's yours?

Woman: Hi Tom, I'm Sarah.

Man: Nice to meet you, Sarah. So, what brings you here today?

Woman: Just grabbing a coffee and doing some work on my laptop.

Man: Ah, that sounds productive. I'm actually here because I was hoping to meet someone interesting.

Woman: (smiling) Oh really?

Man: Yes, really. And I have to say, I find you very interesting. Would you be interested in going out sometime?

Woman: (hesitant) I'm not sure...

Man: It's okay if you're not interested, but I would love to get to know you better. Can I at least have your phone number?

Woman: (smiling) Okay, sure. Let me give you my number.

Man: Great! Thanks, Sarah. I'll give you a call soon and we can plan something fun to do together.

Woman: Sounds good, Tom. Looking forward to it.
