

Person 1: (gets into a taxi and gives the driver two addresses) Excuse me, I need to go to two different places today. Can you take me to this address first and then to this one after that?

Taxi driver: Sure, no problem. It might take a little longer, but I'm happy to do it. Which address would you like to go to first?

Person 1: Let's go to the first one, which is closer. Thank you.

Taxi driver: (starts driving towards the first address)

Person 1: By the way, do you take credit cards? I don't have much cash on me.

Taxi driver: Yes, I do. I accept all major credit cards.

Person 1: Great, thank you. And how much longer do you think it will take to get to the second address?

Taxi driver: About 20 minutes, depending on traffic.

Person 1: Okay, that's not too bad. I appreciate you accommodating my schedule today.

Taxi driver: It's my pleasure. I always try to be as flexible as possible with my passengers.

Person 1: That's very kind of you. I'll make sure to give you a good review on the taxi app.

Taxi driver: Thank you, I appreciate that. We're almost at the first address, by the way.

Person 1: Great, thank you. (arrives at the first address, gets out of the taxi and goes inside)

Taxi driver: (waits for Person 1 to come back out and then drives towards the second address)
