

Week 12 - Ahsoka

Where did you find this?

On a world named Arcana.

It was a stronghold
for the Witches of Dathomir...

...thousands of years ago.

Witches.

Great.

This is getting more exciting
by the (1)_____.

I take it these patterns have meanings?

You have the artist's eye.
Tell me what you see.

Well, no one would design a map
you couldn't read.

There must be a (2)_____ or codex of
some sort.

Perhaps this will help.

This is a scan Huyang took
of the temple where we found it.

So, where do you call home these days?

This ship serves me fine.

Still?

Don't you ever get tired
of moving from one place to another?

I go where I'm needed.

Not always.

You never make things (3)_____.

Why should I?

You never made things

easy for me, "Master."

There is nothing easy about being a Jedi.

Well, then I should've made a (4)_____
one.

Yes.

You should have.

Lady Tano, I have an (5)_____.

Not right now, Huyang.

Go ahead.

I'm gonna need that (6)_____.

Can I take this?

Where are you going?

Somewhere I can think more clearly.

I'm not sure that's a good idea.

(7)_____?

This isn't just about finding Ezra.

It's about preventing another war.

You think I don't know that?

The (8)_____ stays here.

Okay.

**easy good key map minute scan
update Why**
