

Week 6 - Onepiece

Oh, hey. You're the guy from the bar.

- Get lost.

- I am (1)_____.

I'm trying to get inside the base.

Hey, I saw the way you fight.
How did they even arrest you?

They didn't.

I gave myself up.

Interesting (2)_____.

I'm sure you had your reasons.

You don't know anything about me.

I know that you protected that little girl
from those Marines last night.

You're a (3)_____ guy.

I'm Roronoa Zoro, the pirate hunter.

Well, I'm Monkey D. Luffy,

and I will be the King of the Pirates.

And I think you should join my crew.

What makes you think
I'd wanna (4)_____ pirates with you?

You're a great fighter.

I'd say that together,
we'd make a pretty good team.

I kill your kind for a living.

Pirate... hunter.

You (5)_____ saying that,

but is that all you are?

Is that all you want?

I made a promise to someone
a long time ago...

to become the world's greatest swordsman.

Impressive.

You can (6)_____ me,
but I'm still not gonna join your crew.

Okay.

I mean it.

I don't owe you anything.

I just think it's a (7)_____ of time
for you to be hanging out here

when there's something you want out there.

Good luck on the sword thing.

Hey, can you (8)_____ this behind me?

Thanks!
