

Week 2 - Gilbert Grape

Grandma, we have company.

So do you want to eat?

Help yourself.

Oh, thank you.

Well, we missed the rally in Des Moines.

Begin on the road by (1)_____.

We'll be able to make Colorado Springs in time to catch them.

Have you ever been to Colorado?

No, ma'am.

Must be wonderful.

We must be incredibly frustrating then to be

(2)_____ here in this place, in a door.

This place is just as good a place as any.

Think so?

Well, she should know.

Becky's been just about everywhere there is to go.

Places I didn't even know existed.

I'm a worldly kind of girl.

Me? I spent most of my (3)_____ life in the same spot.

Why doesn't matter?

Anyway, she encouraged me to get out.

No, she can't stay put anywhere.

She's the smartest, most beautiful girl in the world.

Isn't she? Isn't she beautiful?

Isn't she beautiful?

I'm sorry. She has this thing with (4)_____ that...I have to go do this thing. It's kind of a family thing.

Oh, yeah. Notice that.

I'm not into that, that whole external beauty thing, Do you want me to give you a ride back into town or do you want to...?

Because it doesn't last.

Right.

You know, eventually your face is going to get wrinkly and get gray hair.

Sure.

Your boobs might sag.

You know, so what?

It's what you do that really matters.

Mm-hmm.

Right?

Yeah, sure.

So what do you (5)_____ to do?

Oh, I don't know. I mean, there's not so much to do here, really.

You can think of one thing.

Think of one thing that people do here.

Um...

Thank you.

It was nice meeting you.

Be nice.

Hello.

Hi.

Hi.

Can I have yours and I'll give you mine instead?

No.

We want the big one.

You know something? The one on top of it is fine.

No, we want the big one.

The big one.

Yeah, come on. Just the big one.

Come on, Mom, please.

Here you go, guys.

We want the big one.

Yeah, that's fine.

Oh, it's changing.

That's what's (6)_____ about the sunset.

It'll just change really, really slowly in front of your eyes.

I love the sky.

Hmm.

It's so limitless.

It is big. It's very big.

Big doesn't even sum it up, right?

That word big is so small.

You'd have to get those really (7)_____ words to describe this guy.

Oh, um...

What?

I have to go do this thing. It's kind of a family thing.

Do you want me to give you a ride back into town or do you want to...?

No, actually, I'm just (8)_____ sit here.

I could come back.

I mean, I can come back then.

Really?

Yeah, you'll be here, okay?

Yeah.

Alright.

I'll just sit here.

Alright, I'll be (9)_____ in a little bit.

Okay.

Okay.
