So what part of New Hampshire is this exactly?
We're not in New Hampshire, Milo.
That's right. Exactly. Not New Hampshire.
You starting to get it now?

Okay. We have to find Spencer.
And in order to do that, I think we have to start playing the game.
I mean, I'm sure that's what he did.
We find him, we finish the game, and we go home.
Ed, you okay?
Would you look at me?
I'm back!
I mean, I haven't looked like this since.
Never. You look like this never.
What are you talking about?

Huh?
Okay. They're headed north.
Which way is north?
I have no idea.
Well, you want to check the map?
Right. I'm a map guy now.
Find an oasis and follow the flame to the desert fruit.

He can see it, you can't.
Each place on the map is a different (3)_____ of the game,

This one is called Dunes.

which makes them the world's (5)_____ two-legged animal.
Did you know that? Fascinating.
What a magnificent creature.
We should get out of here.
What else do you know about them?
Well, here's another interesting fact.

They have (6)_____ stomachs.
How about that?

Where is Eddie? Is he dead? No! Yes!
Yes, he died, but he's fine.
Did I just kill Eddie by talking too slow?
Like he always said I would.
Why does everybody keep dropping from the sky?
Nurse, I'm gonna need to see Dr. Braverman right now, please.
I'm not your nurse.
Okay, listen.
These tattoos on our arms?
That is your (8)_____ count.
We each have three lives.
You and Fridge each have two left.
If you lose all three, listen to me.
It is game over.
That's it.
You're dead.
Dead like a...

Do it, Buggies!
Go!
Come on, come on, shake a leg!
Why am I so slow?
Hold on, let's go!
