

Week 13 Spiderman

See you Friday.
OK, mami. Hasta luego.
Oh, look who's back. Yo, what's going on, bro?
Hey, I'm just walking by. How you doing?
No, te olvidete donde vienes.
Seguro que sí.
Yo, Miles, you feel that Earthquake last night?
Yo, what you talking about? I slept like a (1)_____ last night.
How's that new school?
So easy.
You miss you, Miles.
You miss me? I still live here.
Wait, you miss me?
Oh, come on.
Seriously, Dad, walking would have been fine.
You can walk plenty on Saturday when you peel those (2)_____ off.
You saw that? I don't know if that was me, Dad.
And the two from yesterday on, Clinton.
Yeah, those are me.
Troll, look at that. Another new coffee shop. You see that, Miles?
Totally, yeah.
You see that one? What's that one called?
Phone party.
Ha!
Come on!
And everyone is just lining up. You see that, Miles?
I see it.
Is that a coffee shop or a (3)_____?
Dad, you're old.
It's cold. It's cold.
There are multiple reports of another mysterious seismic event last night. Sources close to Spider-Man say he's looking into the problem.
Yeah, Spider-Man.
I mean, this guy swings in once a day, zip-zap-zopping his little mask, and answers to no one, right?
Yeah, Dad, yeah.
And meanwhile, my guys are out there.
Yeah.
Lives on the line.
No mask.
You know, we show our...
Oh, no!

Dad, Dad, speed up, speed up. I know these kids.
But with great ability comes great accountability.
That's not even how the saying goes, Dad.
Yeah, I do like a cereal donut. I'm giving that.
Oh, my gosh. Don't cops run (4)_____ lights?
Well, yeah, some do.
But, uh, not your dad.
Why can't I go back to Brooklyn Middle?
Miles, you're giving it two weeks. We're not having this conversation.
I just think that this new school is elitist. Elitist?
I would prefer to be at a normal school among the people.
The people? These are your (5)_____.
I'm only here because I won that stupid lottery.
No way. You passed the entry test just like everybody else, okay?
You have an opportunity here. You want to blow that? Huh?
You want to end up like your uncle?
What's wrong with Uncle Aaron? He's a good guy.
We all make choices in life.
That doesn't feel like I have a choice for you.
You don't.
I love you, Miles.
Yeah, I know, Dad. See you (6)_____.
You gotta say I love you back.
Dad, are you serious?
I want to hear it.
You want to hear what I said?
I love you, Dad.
You're driving me off by to school?
I love you, Dad.
Look at this place.
Dad, I love you.
Dad, I love you.
That's a copy.
Tie your shoes, please.
I love you, Dad.
Hey, good morning.
How you doing?
Weekend was short, huh?
That's a copy.
Oh my (7)_____, this is embarrassing.

We wore the same jacket?
Hey.
Yeah?
The shoes inside.
Yeah, I'm aware.
It's a choice.
The theory is that all matter is composed of at least three fundamental particles.
Proton, electrons.
Proton, electrons.
Proton...
Who can solve this for X, Y?
Yes, the electron.
In this class, it's a black ass.
I don't know.
This is silly.
I don't know.
I don't know.
I'm not sure.
My pleasure.
Come here.
Your conclusion, stressed.
Let me go.
My trust is...
You know what?
Countless other possibilities.
There could be a universe where I am wearing red...
Or wearing leather pants.
Ha, ha, ha.
Mr. Morales, moving in the dark. You're (8)_____ again.
Einstein said time was relative, right?
Maybe I'm not late. Maybe you guys are early.
Sorry, it was just so quiet. Would you like to keep standing there, or do you want to sit down?
Our universe is the fact that one of many parallels...
